

MOTION BY SUPERVISOR GLORIA MOLINA

October 17, 2006

Recently enacted State Law (AB 1234) requires that elected local officials and certain commission members attend ethics training every two years. The training course, "Ethics in Government ", was developed by County Counsel and provides an essential overview of State and County ethics laws and regulations; conflict of interest provisions; lobbyist regulations; laws governing the acceptance of gifts and honoraria; as well as laws restricting outside employment.

There are many County employees who are affected by various ethics laws and regulations, and who could benefit from the "Ethics in Government" training.

I, THEREFORE, MOVE, that the Board of Supervisors:

1. Designate each department head, chief deputy and administrative deputy to attend the County's AB 1234 training program; and
2. Instruct each department head, in consultation with the Executive Office and County Counsel, to designate members of the department 's management who oversee the department's contract administration, purchasing, or other operations which involve the issuance of entitlements (such as permits, licenses, leases) to attend the County's AB 1234 training program, with the Department of Human Resources providing the administrative support necessary to accommodate these additional participants in the program.
